

## **CHERIE GIRL SELLING NIPPIES**

From 6.25 to 7pm

### **WHERE ?**

You can sell the nippies in the main room. The idea is to offer an interaction with the audience, so don't hesitate to talk to the people, to explain them the content of the show and the programme (show, afterparty).

The nippies are furnished by the Meinegarderobe shop. We try to promote the shop by giving the business cards with the nippies.

>> Emma provides the business cards, the nippies, and the cigarette girl box

>> Olivia from Plaza provides the money for the change
