

SIGNING THE POSTERS

PRE-SIGNATURES

During the afternoon, each performer needs to sign 75 posters !

It is very important that the stage kittens take care that the performers have signed all the posters.

AFTERPARTY

At the end of the show all the artists invite the audience to reach the upper floors for the afterparty.

The headliners will be behind a table to sign posters.

The posters will be pre-signed by all the performers.

The Headliners will keep 15 posters without their autograph on it, in order to sign them live, for example :

Reuben Kaye will sign all the 60 posters but will keep 15 posters without his signature.

Here is the list of the headliners who will sign 60 posters and keep 15 posters to sign during the afterparty :

- MICHELLE L'AMOUR shall have 60 posters signed by all + 15 posters without her signature
- LOULOU D'VIL shall have 60 posters signed by all + 15 posters without her signature
